

### A Minute in Ministry: Dancing toward the Future

"Optimist: Someone who figures that taking a step backward after taking a step forward is not a disaster, it's a cha-cha." – Robert Brault

I have been thinking about this quote a lot lately, as the church staff and leadership have been engaged in the careful "dance" toward more in-person engagement. In February, when Session made the decision to move toward in-person worship for Holy Week, Easter Sunday, and beyond, Covid numbers in our county had been on a downward trajectory for weeks, while vaccination rates were climbing. It was time for a big, joyful step forward!

Since then, things have changed somewhat. Perhaps not enough for a big step back, but enough to remind us that our steps forward have to be made with care, and that backward steps, too, are part of the dance.

Big step forward: In-person worship

Little step back: We need to register online, and wear masks and distance socially.

Big step forward: Sharing together in Communion

Little step back: We have to do things a little differently and we must remember that all are not yet able to come to the table in person.

Big step forward: Groups can start meeting in the church

Little step back: We still need to keep masks on, so refreshments are limited.

Big step forward: Lots of us are vaccinated! Yay!

Little step back: But not everyone. And the infection rate in Michigan is high. And our hospitals are near capacity. And our youth and children cannot yet be vaccinated, so many families still feel unable to gather in large groups.

The big steps forward are worth celebrating! It is a joy to see your faces again. It is good news that vaccination rates continue to rise. In this *Presbyter*, you will see opportunities for gathering in person, for those who are seeking them, and opportunities for connecting virtually for those who prefer to hold tight a little longer. Hopefully, over the next few months, we will see the infection numbers start to drop back down. As that happens, more joyful steps forward will be taken!

In the meantime, let's be patient with one another as we navigate this dance. There will be backward steps – that's part of the dance! There will probably even be a few toes stepped on. But let's keep dancing and keep finding the joy in the dance!

*Dance, then, wherever you may be;  
I am the Lord of the Dance, said he,  
And I'll lead you all, wherever you may be,  
And I'll lead you all in the dance, said he.*

("I Danced in the Morning," By Sydney Carter, Hymn #157, *Glory to God* Hymnal)

Peace,

*Grounded in living faith,  
receiving diversity as a gift,  
we seek to reflect Christ's light  
in God's world.*

*Continually discerning God's  
vision of grace and peace,  
we share inspirational worship,  
spiritual nurture, compassionate  
service to others, and the pursuit  
of justice—all to the glory of God.*

## Update on Church Operations

### Worship

Staff and Session members continue to work diligently to provide safe and meaningful opportunities to gather for worship in our Sanctuary. Through this transition period, we respect each person's decision according to level of comfort. We strive for safety and inclusive accessibility for as many people as possible. While we will share spoken liturgy, we will *continue to refrain from congregational singing* until further notice.

**Wednesday noon prayer services** will continue for the foreseeable future. At this point, there is no need to sign up ahead. Please, sign in when you arrive through the West Transept or Gathering Place doors.

**Beginning immediately, until further notice**, we will offer one service of worship at 10:00 am. Please sign up ahead of time, using a link to Eventbrite found on our website homepage. If registrants exceed 130 we will offer a second duplicate service. And we will continue to live-stream worship at 10:00 on YouTube, accessed through a link to our YouTube channel sent out by email or on the sermons section on the website.

These plans will continue to be reviewed regularly and amended as necessary. Please, continue to follow protocol for masking, distancing, and sanitizing, as well as any other guidance offered upon arrival. If you have any questions or concerns, please contact Pastors Chrissy or Seth.

### General Building Use

Aligning with government guidelines, business in our church building will remain reduced. Sensitive to staff health concerns, if any routine business can be conducted by email or phone, please do so. Respecting individual needs and possibilities, staff will continue to have flexibility to work off-site. Please, make appointments before coming in to church, primarily 9 a.m. to 1 p.m., Monday through Thursday. Masks covering nose and mouth must be worn whenever one is in the building.

Groups of the church are welcome to meet in the building, as decided and planned by each group. Virtual participation will also be coordinated by each leader. We will continue to urge that groups meet in the Gathering Place, Dining Room, or third floor. Again, please honor masking, distancing, and other safe protocols, as you do so. And please, coordinate all meetings with Ann Johnson.

As ever, staff earnestly want to serve all in whatever way possible. If you are unable to reach a staff person at church, please leave a message by phone or email; or for pastors, feel free to call their cell phone.

Grace and Peace,

Seth

## Health Ministry News

The Virtual Walk to Jerusalem during the Lenten season was a great success. Participants reported their “miles” weekly via email, and activities included walking, biking, yoga, golf, swimming, gardening, and house cleaning, as examples of the creative ways people got moving! We “walked” 3156 miles altogether, which was almost all the way to Jerusalem, and had a lot of fun on the way. You can see our journey on Kzoofirstpres.org website: choose the “Resources” tab and then choose Health Ministry. A big “Thank you” to Anna Barnhart for mapping our progress for us.

Health Ministry has been meeting and considering ways we can creatively support the congregation during this Covid time. We will continue to offer the Healing services, most likely recorded for the time being. We are planning to develop some classes for 2021, the format to be determined based on current Covid outlines.

Continue to watch the weekly email for more updated information from your Health Ministry Committee.

Blessings,  
Ann Ross, RN, BSN, Faith Community Nurse  
Health Ministry Coordinator

## Martha Circle

Martha Circle is a group of women who meet once a month to support one another in our Christian faith. We share concerns and joys, study together, and explore what it means to be a Christian woman in today's world. We also provide cookies for Celebrate the Vision on our meeting day. Our regular meeting date is the second Wednesday of each month – May 12 and June 9. We are using the Presbyterian Women's Bible Study "Into the Light: Finding Hope through Prayers of Lament" and on May 12, our study will be "Women's Lament". We are planning to meet — socially distanced and masked — in the Gathering Place at 10:00 a.m.. In June we are hoping to be able to gather for our annual spring pot luck. All women are invited and will be warmly welcomed. Please contact Elaine Johns (269-323-7395 or [emjohns513@aol.com](mailto:emjohns513@aol.com)) for more information.

## At-Home Study for Adults: Bible Interpretation 101 and Great Themes of the Bible

Life is about interpreting. It is a part of what we do every minute of every day. We filter experiences through our lenses and come to an understanding of the circumstances of our lives.

When we study the Bible, we do the same thing. We interpret what we read, depending on what we've learned and heard. Over the next several weeks, we will be looking at a general overview of Biblical interpretation, a historical review of how the Bible has been interpreted by leaders of the church through the centuries, and why we all interpret the Bible differently.

*This Photo by Unknown Author is licensed under [CC BY-NC](#)*

Then we will delve into "Great Themes of the Bible", in which we will look at four major themes of the Bible and trace them through well-known Biblical stories. These studies will be available to download and print through the email announcements, and in hardcopy form in the Narthex and in the Gathering Place.

## Faith Formation for Children, Youth, and Families: An Illustrated Earth (from Illustrated Ministry)

An Illustrated Earth: Celebrating God's Creation focuses on Bible stories that celebrate water, plants, food, and animals. It is designed to draw families into conversation with Biblical stories that relate to these elements of God's creation. Each lesson highlights a particular Biblical story and provides opportunities to focus on hearing and reflecting on the story with open-ended questions, creating meaningful art, sharing in an interactive activity based on the story, and providing an opportunity to share God's love.

Each week's lesson will be available in the emailed announcements, and in printed form in the Children's Praise Packs folders at in-person worship. Each unit will include an in-person family event with crafts, activities, and a chance to engage in the lessons together!

## YOUTH FELLOWSHIP – 6<sup>th</sup>- 12<sup>th</sup> grades

The All-County Youth Group continues to gather for service, learning, fellowship and fun! This has been a strange year, with far less time together than we'd like, so as we head into what is usually a summer break, we plan to continue having events and activities for youth.

Details, as always in this Covid time, are still to come, but be watching your emails and announcements!

## Plan on Youth Group meetings on May 2 and 16!

In March, we gathered together to create Easter bags to deliver to our members who live at the Fountains, Friendship Village, Heritage Communities, and Story Point. In April, we participated in the CROP Walk.

## Congratulations to our 2021 Confirmation Class!

From October through February, four members of our youth group met regularly with Pastor Chrissy to explore their faith and Presbyterian Heritage. At the February Session meeting, three of them shared their personal statements of faith, and became members of First Presbyterian Church. Congratulations to Annaliese Bol, Wendy Miedema, and Anna Miedema – our newest members!

## WELCOME TO OUR NEW DIRECTOR OF YOUTH AND FAMILIES!

We are delighted to announce that Meredith Alspach (she/her/hers) will be joining the FPC Staff in May as our new Director of Youth and Families! Meredith has served as the Director of Faith Formation at First Presbyterian Church, Richland, since 2015. She was instrumental, with Rob Bradford, in forming the Kalamazoo County-wide youth group and has been working with the youth for the past 6 years. She has a deep passion for children and youth, and believes totally in their importance to and full participation in the life of the church. She has participated in and taken leadership in the National Association of Presbyterian Church Educators (APCE) organization, including serving as a resource for other educators regarding all new PC(USA) curriculum offerings, and leading a workshop on re-imagining youth ministry at the national APCE conference. She will continue her work with the Richland church as she joins us, furthering fostering cooperative work among churches in the Presbytery. When you see Meredith in church, be sure to offer her, along with her husband and their two children, a warm welcome!

### IN-PERSON FAMILY EVENT

**May 23, 2:00 – 4:00 p.m.**

On May 23, join Pastor Chrissy, Meredith, and the Faith Formation Committee as we gather for a family event, wrapping up our unit on stories of water in the Bible. All FPC families are welcome, whether or not you have participated in any of the lessons at home. Masks and distancing will be required, and we will be doing as much outside as weather allows. Join us for crafts, activities, and music! Watch your email and the Thursday announcements for more details!

### New Contact Information?

If you have moved or changed contact information, please inform Ann Johnson at 344-0119, or email her (her email is found on page 8) so she can keep your information up to date.

### Deacons' News

“The First Duty of Love is to Listen.” —Paul Tillich

Dear Friends,

As we continue to make adjustments and long for things to return to normal, it is going to take time and will move at a different pace for each of us.

Each of us has experienced the Pandemic in different ways, struggled with a variety of things, and each is trying to process different events and feelings as the past year has unfolded. Sometimes we are able to relate to one another in a common bonds; however, other times we have feelings that are unique to each of us.

As a community of faith, we should continue reaching out in LOVE, ready to LISTEN, and SUPPORT one another. As we continue to try to make sense of our world turned upside down, anticipating the uncertainties of the future, and sharing stories, your Deacons are here for you... our hearts are open to each one of you.

Connecting through technology, meaningful phone conversations, a walk or sitting together outside to enjoy a beautiful spring day... as Pastor Seth recently said, we are all “seeking the visceral reciprocity of loving relationships wherever we are”.

As always, if you would like to connect with your Deacon, give him/her a call, or contact the church office and they will connect you with your Deacon.

Moving forward in courage and with love,  
Your FPC Deacons

“Being heard is so close to being loved that for the average person, they are almost indistinguishable.”  
—David Augusburger

## Finance Committee Update:

To our church family,

You have noticed that the Finance Committee made the decision last year to stop mailing out quarterly statements. This move was made as part of a GREEN INITIATIVE and cost saving. You can still receive a quarterly statement if requested; just contact Louise Taylor and she will put it together for you.

With all of the COVID restrictions that have been in place for over a year, we, as a church, have been able to stay ahead of the financial curve with your generosity and continued support, even while we were not meeting in-person. Below is a summary of the first quarter financials.

### Financial Recap - March 2021

	<b>Actual YtD</b>	<b>Budgeted YtD</b>
Total Income (includes Pledges, Non-Pledge Income, Plate Offerings, Other Gifts, etc.)	\$ 239,907	\$ 217,278
Total Expenses:	<u>\$ 210,906</u>	<u>\$ 242,649</u>
Net Inc.	<b>\$29,001</b>	<b>(\$25,371)</b>
Charles Schwab-Capital Improvement	\$165,529	
Health Ministry	\$15,000	
Pine Island -Dedicated Fund	\$50,000	

At the Annual Meeting, we informed the congregation of the Paycheck Protection Program (PPP) Loan that we received: \$96,992.00. This money is being held until August of 2021, at which time a subcommittee of Finance will work on the best way to disburse the funds into the community.

Yours in Christ,  
Don Meldrum, Finance Committee Moderator

## United Campus Ministry: Who We Are

“WMU taught me how to be a better engineer; but UCM taught me how to be a better person.” This student’s words communicate everything you need to know about the work of United Campus Ministry. UCM meets students where they are, walks through some really painful and exhilarating experiences with them, listens carefully to their questions, concerns, or wonderings about the world, and gives them a place to develop their beautiful, authentic selves.

In spite of the challenges this past year, UCM has flourished, as they shifted all of their programming online. Unable to focus on service/learning in the community, the group has switched their focus to racial equity work. Some activities included a racial equity book club, a two-evening racial equity workshop, a self-care workshop, and a spirituality book club.

The work of UCM is absolutely essential, especially on a huge public university campus where students can so easily feel invisible as they develop into the people they want to be. By working with students, UCM is ministering to the wider world, of which they are part.

United Campus Ministry has always been loved and supported by First Presbyterian Church of Kalamazoo. Due to the support of people like you, they can continue this work in meaningful ways.

If you would like more information about United Campus Ministry or about donating to UCM, you can visit their website at [www.ucmkalamazoo.com](http://www.ucmkalamazoo.com).

Thank you!

## Sound/Video Team members wanted:

The Sound/Video Team is looking for a few good people to join the team. The Sound/Video team provides an essential part of First Presbyterian Church services with sound recordings and now, livestreaming of church services on YouTube. We are looking for one or two volunteers who are interested in helping run this important function. This would involve a commitment of once every four to five weeks on Sundays, and, periodically, some memorial services and weddings. Volunteers should be familiar with computers and comfortable with or willing to learn about various sound and video technical components. If you are interested, please contact Bob Murray at [rjmmurray@charter.net](mailto:rjmmurray@charter.net) or 269-598-8028.

## Attention FPC Members:

Hope Garden, one of our Outreach Activities, will open soon for initial planting of early veggies that can withstand some cooler weather. We invite any volunteers who would like to join us for fresh air, some moderate physical activity, and good company. The garden is located at 8882 “Q” Avenue (north side of the road), about 3/4 mile west of Zeb’s Restaurant in Texas Corners. All of our outdoor Worship Services last fall were at the garden property and it is a pleasant place to enjoy the outdoors while providing fresh food for our under-served neighbors.

We currently have work sessions on Monday, Wednesday, and Friday from about 9:30 to 12:30 p.m., but other hours can be arranged if there is enough interest. No experience is necessary, just a positive attitude and willingness to grow veggies for the Ministry with Community and Loaves & Fishes. High School-age folks are also welcome, especially if you would like to learn more about growing plants, the source of our food, and how to help plants grow. We can use volunteers of all ages, as there are many different tasks to perform and many are not too physically demanding. Appropriate clothing is important, especially shoes, are helpful since we *do* dig in the dirt! Additional benefits include good company and conversation, knowing you’re doing your part to make Kalamazoo a better place, and opportunities to learn about gardening.

Hope Garden is located about 3/4 mile west of Texas Corners on “Q” Avenue, and the shopping area located there. Center Street in Portage becomes “Q” Avenue once you pass US-131 (going west), If you pass Pretty Lake Camp you have gone too far. Turn around and join us for a rewarding time of helping others. You can contact Bob Poel at 269-349-4402 for starting dates, or if you want more details or information.

## Green Presbyterians: An Earth Care Congregation

Our committee is reaffirming its commitment to provide our congregation and friends about best scientific practices to save humanity, other living things, and God's creation—the Earth itself, from drying up. So we are returning, as our church opens up, to our role as Green Presbyterians.

We will again provide you thoughtful programming, such as science-based movies and links, recyclables turned into something like art, or re-imagined, re-manufactured into something else and saved from a landfill; reviews/summaries of new Eco-books, some personal narratives, pictures to inspire, an Eco-quiz or two to test your Eco-knowledge, and Eco-tidbits of what you need to know that we will share weekly, either in emails or bulletins, our Green area in the Gathering Place, in hand-outs by the doors, and even in our *Presbyter*.

Our topics will include climate change, biodiversity, carbon footprints, food choices, consumer goods, ecosystems, e-wastes, factory farms, water issues, forests as just a commodity by itself, and other healthy living choices that take you beyond just being a steward of the earth, but as one participant among other living things here on earth.

Have you made a pledge to do something outside yourself that reduces your carbon footprint; if so, share it with us. Go ahead and get others involved, too, because everything now makes a difference; even the smallest thing really does, and we thank you for it. Bless you. Stay safe. Comments can go to [ann.johnson@kalamazoofirstpres.org](mailto:ann.johnson@kalamazoofirstpres.org) and she will pass them along to us. Thank you!

## Assistance for Worshipers

**Hearing Assistance devices** for in-person worship services can be requested from any usher, or you may call the church office in advance.

Copies of **Large-print Bulletins and Announcements** are available every Sunday morning for in-person worship. Ask one of the ushers for a copy.

If you would like to receive **weekly e-mail updates** about events in the life of FPC, please contact Ann Johnson at 344-0119 and ask that your e-mail address be added to the list.

**DVD's** can be created for those with limited access to our services. You may email Ann Ross, or call 344-0119, to place an order.

**Gluten-free bread** is served at all communion services.

**Presbyter** Our congregation publishes the *Presbyter* six times per year in bi-monthly editions. While this may change with the complications of planning in our country's situation, here is the **tentative** schedule for the balance of the 2020-2021 program year:

<u>Issue</u>	<u>Deadline for Content</u>	<u>Mailing Date</u>
July-August	June 15	June 24

Many members receive the *Presbyter* newsletter via e-mail only, to help conserve paper and other resources. If you would like to have your name removed from the USPS mailing list, please contact Ann Johnson at [ann.johnson@kalamazoofirstpres.org](mailto:ann.johnson@kalamazoofirstpres.org) or call 344-0119.
